Saturday late night snacks for FootFall will be at the Solarium (just below the Theater) if the weather is good. If we are expecting rain, the snack will be in the Theater. Both the Solarium and Theater have plenty of seating.

Sunday late night snacks for FootFall and World Music and Dance will be in or near the Social Hall.

There are no bathrooms in any of the dance venues. If you are in the Social Hall or Library, use the bathroom in Cabin 17.  
If you are in the Uphill Pavilion or Theater, use the building across the paved road from the Solarium. It has "2003" painted on it.  
If you are in Barnett, use the bathroom located on Edgewood Row, between 10-11 and 12-13.
